**MEDICAL CARE OUTSIDE PANAMA:**

- Subject to Prior Authorization and Approval by the Company.
- Applies to the Insured's medical condition in elective or scheduled cases, except policies with the Premium Endorsement.
- Requires the use of providers within the Blue Cross and Blue Shield System Network.
- **Deductibles:**
  - Panama, Colombia and Central America (PCC): Applies an amount equal to the deductible indicated in the particular conditions of the policy, for medical expenses incurred and covered within the territory of the Republic of Panama, Colombia and any Central American country, whether for Medical Emergency due to accident or illness, or for Elective and scheduled cases, for the Benefits that apply as established in this table.
  - **Other Countries:** Applies to medical expenses incurred and covered in any country in the world except Panama, Colombia and Central America, for the Benefits that apply as set forth in this table and as detailed below.
    - Emergency Medical Accident and Illness: Applies an amount equal to the deductible of Panama, Colombia and Central America, as established in the particular conditions of the policy.
    - Elective or Scheduled Treatments: Applies an amount equivalent to double the deductible of Panama, Colombia and Central America, as established in the particular conditions of the policy, with a minimum of US\$5,000.00, except for the US\$10,000 and US\$20,000 deductible options, which will apply an equal deductible, without duplicating them.
  - The amount of deductible accumulated in Panama, Colombia and Central America does not apply to complete or accumulate the deductible corresponding to other countries.
- **Benefits Covered:**
  - Do not apply to Preventive Medicine Benefit.
  - Reimbursements of Charges for Outpatient Services apply against receipt.
  - Applies to the other benefits described in this table, based on the conditions and limits described for Panama, Colombia and Central America, unless otherwise indicated for Other Countries, according to the scenarios detailed below:
