

### CLAUSE XI – PREMIUMS

The Contracting Party, Main Insured and/or Person Responsible for Payment is aware that the initial premium agreed upon in favor of the Company as compensation for the contracted coverage(s) will increase as the health expectancy of the Insured increases, as well as the inflationary factor in the medical supplies and/or benefits in the market and as long as it is technically approved by the Superintendence of Insurance and Reinsurance of Panama.

The initial estimated cost of the premium during the life of the Insured shall be:
